CORNUCOPIA 2022 CONFERENCE

FOSTERING WOMEN'S ABUNDANCE THROUGH FINANCIAL EMPOWERMENT

THURSDAY 10 NOVEMBER 2022, ARKABA HOTEL, ADELAIDE

CONFERENCE PROGRAM

'Cornucopia' by Bev Puckridge '22

Cornucopia comes from the Latin word *cornu copiae*, which translates literally as 'horn of plenty'. We believe that women can realise greater abundance in all areas in their life if their financial skills and knowledge are enhanced. Greater financial empowerment has the potential to metaphorically grow the personal 'cornucopias' of all women. This is the aim of the Cornucopia 2022 Conference.

INTRODUCTION

On behalf of the Eastwood Community Centre it gives me great pleasure to present the inaugural Cornucopia 2022 Conference Program. We have tried to ensure that a diverse range of topics are covered for you to choose from regardless of your age, current financial position or abundance goals. We are extremely grateful for the team of very high calibre, successful women who have agreed to share their knowledge, skills, stories and ideas with Conference Delegates.

In addition to Keynote, Workshop and Agora presentations, we are also excited about our 'Healing Through Art' Fundraising Raffle for the Zahra Foundation Australia and the Eastwood Community Centre Handbag Hustle and Trading Table. Your financial support of these initiatives would be greatly appreciated.

I look forward to seeing you at the conference.

Leanne Isaacson, Director, Eastwood Community Centre
