INTRODUCTION

On behalf of Eastwood Community Centre, I am thrilled to welcome you to the My Money Matters 2024 Conference. This year, we've carefully selected a diverse range of topics to empower women of all ages and financial backgrounds, ensuring there is something valuable for everyone. We are incredibly thankful to our esteemed speakers—successful and influential women ready to share their invaluable knowledge, skills, and stories with our delegates.

In addition to insightful keynotes, enriching workshops, and engaging panel discussions, we warmly invite all attendees to join us for networking drinks after the conference to connect and discuss the day's learnings.
